Effective 1/25/21, Maryland is now in Phase 1C of COVID-19 vaccinations. Individuals eligible for a vaccine under this phase include:

- Adults age 65 and older
- Individuals with intellectual and developmental disabilities
- Clergy and other essential support for houses of worship
- Food/agriculture production, critical manufacturing, U.S. Postal Service, public mass transit, grocery store employees
- All licensed, registered and certified health care providers
- Education staff, including K-12 teachers, support staff and daycare providers
- Front line hospital staff; nursing home residents and staff
- Assisted living, independent living, behavioral health and developmentally disabled group homes, and other congregate facilities
- Law enforcement and firefighters, EMS, and other public safety workers
- Correctional health care staff and officers; front line judiciary staff
- Continuity of Government
- Veterinarians and support staff

Please note that vaccine quantities are very limited, and the process for obtaining one is strictly laid out. [One must register for an appointment through this state website](#). Additional information from each of the First Congressional District's county health departments can be found below:
